

A wide-angle photograph of a snowy mountain range at sunset. The sun is low on the horizon, casting a warm, golden glow over the scene. The sky is filled with soft, wispy clouds, and the snow-covered peaks and ridges are illuminated by the low light. The foreground shows a steep, snow-covered slope with some dark rocks and patches of snow.

One week in Kamchatka Standard Heliskiing Program 2020

It includes 8 helicopter hours (about 3-4 full days of heliskiing with the total drop of altitude of approx. 25 000 vertical meters). Fly and ski down one of volcano slopes: Viluchinskiy (1273m), Avachinskiy (2741m), Aag (2310m), Arik (2300m), Mutnovskiy (2323m), Zhupanovskiy (2932m). Skiing down to the Bolshe-Bannie hot springs valley, to the Pacific Ocean shore or to the active volcano crater is also possible.

Group accommodation in mountain lodge «Snow Valley»

Snow Valley Mountain Lodge is a unique hotel complex with accommodations from economy to VIP level, located in the picturesque valley surrounded by mountains and volcanoes.

The territory of our Mountain Lodge features an open-air swimming pool and a cascade of hot thermal springs, summer houses and barbecue areas, well-maintained cross-country ski course, snowboard park with a cableway, woodland track for four-wheelers (used in summer), two picturesque sightseeing platforms with panoramic view of domestic volcanoes, helicopter pad, parking lot.

Services and amenities available for you include renting of cross-country and mountain skis, snowboards, snowmobiles and four-wheelers, chairlift (400 m), Russian-style bathhouse, billiards, gym, movie hall / convention hall.
